Published Semi-Weekly—Tuesday and Friday

VOLUME 16.

VERNON, WILBARGER COUNTY, TEXAS, FRIDAY, NOVEMBER 28, 1924.

NUMBER 94.

## ROUND TIMBERS RANCH IS SOLD TO MRS. WARLICK

Vernon Woman Buys 5300 Acres on Red River—Sells 1000 Acres Same Week To Be Made Into Cotton Farms by New Owner

A real estate deal of considerable magnitude was made this week when Mrs. O. T. Warlick, Vernon woman, became the owner of the Round Timbers ranch on Red river in the North part of the county. The ranch contains 5300 acres and about 2,000 acres are tillable. About 350 acres are in cultivation now and cotton on the place is making half a bale to the acre.

The ranch has been owned for fifteen years by Newell Kerr & Patterson of Bellefontaine, Ohio, and Mrs. Warlick went there about three weeks ago at their invitation to complete the deal. She returned with an option on the property and the pending deal was closed this week.

Dr. J. M. Summer of Vernon purchased from the new owner, one thousand acres lying on the southeast side of the ranch. Mr. Summer will have the land broken out and houses will be erected, and the land rented to cotton farmers. This deal was also concluded the first of the week.

Mrs. Warlick will retain the remaining 4300 acres and will have nearly a thousand acres in cultivation next year. She is leaving soon for her ranch near Las Vegas, N. M., to start moving stock and tools to her new ranch. Her ranch foreman and family will return with her.

W. T. Gibbons, foreman of the ranch for a number of years, has not announced his future plans.

The big ranch house and barns are located on the north side of the place in a grove of beautiful trees. The Orient railway runs through the place and the station and loading pens are located one-fourth of a mile from the ranch house. Trains stop here when flagged and the station bears the name of Round Timbers.

The pasture is covered in sage brush, which is fine for wintering cattle and sheep. The ranch was named years ago by cowboys, when heavy timbers extended down the south side of Red river for several miles. It was called round timbers because of the big bend in the river here which makes half a circle.

The north side of the ranch is still heavily wooded.

Terms of both sales are private.

## Clifton Studio To Occupy Quarters In Smith Building

R. B. Clifton, owner of the Clifton Studio, is moving this week to the C. T. Smith building at the corner of Main and Texas streets. The studio will occupy both floors of the building. The reception room and the camera room will be on the first floor, and the work room will be on the second floor.

The studio will occupy the rear part of the building and the front will be on Texas street.

In addition to his regular line of work, Mr. Clifton will do special photographic work that is not done west of Dallas. The local photographer will carry a line of hand-painted miniatures that studios in larger cities carry.

The business was established by D. P. Sink in 1889 and remained under the name of the Sink studio until Mr. Clifton purchased same about six years ago. At that time the firm occupied the building on Main street at Marshall, later moved to a building on North Main street, moving to the present location in the White building on Main street about two years ago.

## WEEK OF PRAYER TO BE OBSERVED BY METHODISTS

Rev. C. A. Bickley, pastor of the local Methodist church, will preach a Missionary sermon next Sunday at the beginning of the observance of the week of prayer.

An all-day prayer service will be held Monday by the members of the Missionary Society. The following are the leaders and hours: Mrs. J. H. Watts, 10 to 11 a. m.; Mrs. Lela Albright, 11 to 12 m.; Lunch in church 12 to 1 o'clock; Mrs. J. G. Sherman, 1 to 2 o'clock; Mrs. J. N. Johnson, 2 to 3 p. m.; Business session, election of officers, 3 to 4:30 o'clock.

Wichita Falls Couple Marry. Roy Tillerson and Miss Pearl Bennett, of Wichita Falls, were married Wednesday at noon, November 26, by Rev. C. A. Bickley, at the Methodist parsonage. They will reside in Wichita Falls.

## MEN AND WOMEN IN THE NEWS OF THE DAY

Left: WILLIAM H. ANDERSON & SIR AUCKLAND GEDDES. Below: MRS. MARY K. EGGLESTON & MRS. ALICE LONGWORTH

The Stork is expected for the first time to visit the home of Congressman and Mrs. Nicholas Longworth, of Ohio, in February. They have been married eighteen years. Mrs. Longworth is a daughter of the late Colonel Theodore Roosevelt. Sir Auckland Geddes, former British Ambassador to the United States, has been appointed Chairman of the Royal Commission on Food Prices by Premier Stanley Baldwin. William H. Anderson, former Superintendent of the Anti-Saloon League of New York State, convicted of forgery, will be paroled from Sing Sing prison on Christmas Eve, and will be re-arrested on four charges of theft and extortion. Mrs. Mary E. Eggleston, wealthy widow of Edward Kansas, has been found guilty of attempting to poison her self-styled fiancé, David Ely, realtor, in order to gain possession of his fortune of \$65,000. The plot was bared by a laborer, W. O. Pool, who said he was offered \$200 to administer poisoned wine. Ely stuck by the woman through the trial, and broke down and wept when she was convicted.

## JURY STILL OUT IN DAMAGE CASE

NO VERDICT IS YET RETURNED ON SUIT OF MRS. ROBINSON VS. DIXON AND OTHERS

The jury in the case of Mrs. M. F. Robinson versus J. A. Dixon and others, on trial in district court here this week, was still out today at noon. The evidence was completed and the case submitted to the jury Wednesday afternoon, but Judge Leak excused the jury for Thanksgiving and deliberations were resumed this morning.

The plaintiff is seeking \$50,000 damages because of the death of her husband, J. D. Robinson, who was fatally injured by a flying brick while an old foundation of the Dixon building was being dynamited to clear the site for the erection of a new building. The Dixon Dry Goods Company and O. A. Swinburn, local contractor, were parties to the suit along with Mr. Dixon. Judge Leak Wednesday ordered the suit dismissed as to the Dixon Dry Goods Company, holding that the corporation was not liable.

District Court will conclude its present session here this week and court will be opened in Quinlan Monday morning.

## Former Resident of Fargo Community Dies at Lockney

J. S. Harrison, 60, former resident of the Fargo community, and who moved to his farm near Lockney last year, died at his home there Wednesday night after a brief illness.

He is survived by his widow and two sons, Guy and Doyle, and seven daughters, Misses Linnie, Maurine, Reta, Elsie, Winnie Rhine and Monette and Mrs. Herman Murdock. All will be present for the funeral. He was a prominent member of the Baptist church. Interment took place at Lockney cemetery.

## "THE GHOST BETWEEN" TO APPEAR FEBRUARY 12

"The Ghost Between," the third and concluding number of the Symphony course given by the Musicians' club will be staged February 12 instead of February 2 as announced in the Record Tuesday. The Musicians' club are very anxious that the date be established in the minds of the Vernon people so no conflict in dates will occur. This promises to be a very interesting number.

## COTTON REACHES 54,238 BALE MARK

PICKING HINDERED BY COLD FROSTY MORNINGS—BULK OF CROP GATHERED

The total gin receipts up to November 28, for Wilbarger county, was 54,238 bales. Last week the total gin receipts were 50,209, making a total of almost 4,000 bales for this week. This is a good showing due to the fact that the bulk of the cotton has been gathered, and the weather has been unfavorable for the greater part of this week.

Rural Gins.	
Odell (two gins)	6,004
Elliott	2,749
Tolbert	951
White City	2,125
Parsley Hill	2,434
Fargo	4,354

Peoples	3,450
Vernon	3,044
Farmers	3,582
Planters	3,464
Co-Operative	4,711
F. & M.	2,146
Total	20,397
Produced in Wilbarger county and ginned in adjoining counties, ginners' estimate.	4,937
Grand total	54,238
Same date last year	17,659

## A. W. DODSON DIES AT TENNESSEE HOME

A. W. Dodson, who at one time resided in the county, died at his home in Huntington, Tenn., Tuesday day, at the age of 73. He came to Wilbarger county at the time that a number of families emigrated to this county from Tennessee. He purchased land out here and stayed here only a short time. He visited here at intervals until declining health a few years ago caused him to cease his visits. He was a relative of the late Dr. J. E. Dodson and always took an active interest in his friends who remained here. He was said to be a good neighbor, an honorable and upright citizen and was greatly esteemed by his friends.

Amarillo Defeats Wichita. In a football game played yesterday at Amarillo the Amarillo high school team defeated the Wichita Falls high school 7 to 0. Both teams had been defeated by Vernon and the outcome was awaited with interest by local fans for that reason.

## GIN AT HARROLD IS TOTAL LOSS IN BLAZE YESTERDAY

Loss Is Placed at from \$25,000 to \$30,000 on Plant and Cotton Lost in Blaze—Directors Will Meet To Decide on Plans for Future

The Farmers Co-operative gin at Harrold was destroyed by fire late yesterday afternoon, which started in the press room of the plant while the gin was in operation. Besides the gin plant and building eight bales of seed cotton awaiting their turn to be ginned were destroyed. A quantity of cotton seed, stored in the gin seed house was also a total loss.

The amount of the loss is placed at from \$25,000 to \$30,000, partially covered by insurance.

The gin was owned by the Farmers Co-operative Society of the Harrold community and no announcement of the plans with reference to rebuilding will be made until after a meeting of the directors of the Society. It was learned this morning in a telephone conversation with the manager of the business.

The ginning season is practically over in that part of the County and it was stated that no effort will be made to rebuild the gin before time to get it in operation for next season. Further than this, however, no indication of plans could be obtained.

## Vernon Man Placed On Board Trustees S. M. U. at Dallas

E. H. Pigg, Vernon man and member of the board of stewards of the local Methodist church, has been added to the board of trustees of the Southern Methodist University at Dallas. Mr. Pigg was elected by the Northwest Texas Conference at Abilene. He is taking the place of J. P. Slayton of Hereford, who resigned on account of ill health. Ed Steadman of Beaumont, was elected at the Texas conference at Austin to succeed Judge J. A. Elkins of Houston, who resigned because his duties require that he be out of the state a large part of the time.

## California Folks Coming.

D. P. Sink and Mr. and Mrs. Paul Sink and little son are due to arrive here from Los Angeles, Calif., at any time, according to relatives. They are making the trip by automobile and left for the long drive, November 16. They are former residents here and the elder Mr. Sink owns considerable property in and about Vernon.

## Rev. McCrary Here On Visit.

Rev. J. W. McCrary and little son, John Easton, are visiting in Vernon at the home of Rev. McCrary's mother Mrs. Gorda McCrary, from his home at Millican, Brazos County, where he is principal of the high school this year.

## LIONS WAITING FOR THE WORD THAT

### WILL SEND THEM AGAINST NEXT FOE IN RACE FOR STATE FOOTBALL TITLE

Although they have been less frequently photographed by representatives of Fort Worth newspapers, the Lions are confident they can beat the Cisco Lobos, who were proclaimed champions of West Texas by the sports editor of the Fort Worth Star-Telegram following their victory over the Stephenville class B team Tuesday at Ranger.

Cenich Baggett, Captain Ransome Walker and others of the Lion squad of strategy watched the Cisco-Stephenville game Tuesday and came away firmly convinced that unless the Lobos show a great deal better attack and a defense that is far superior to that displayed at Ranger the Lions can add another shut-out victory to their string of eight already amassed this season when they meet Cisco.

The Star-Telegram's champions of West Texas couldn't keep the class B Stephenville gridsters from scoring two touchdowns Tuesday. Several touchdowns have been scored against the Lobos this year, while no team in Northwest Texas or the Panhandle, with a good one thrown in from Oklahoma, has been able to carry the pigskin across the Vernon goal in nine games played this season.

The wonderfully strong Golden Sandstorm team of Amarillo is the only organization that has been

## HE ORIGINATED TRIBUTE TO UNKNOWN SOLDIER.

Millions of people have paid tribute before the tomb of the "Unknown Soldier" dead of the World War in various nations, but few know that the idea was first offered by Professor Antonio Sciorvino, noted Roman painter.

## "MISS SOMEBODY ELSE" IS COMING

PROCEEDS FROM PLAY HERE THURSDAY AND FRIDAY TO PLANT TREES ON ROADS

"Miss Somebody Else," given under the auspices of The Home Science club will be given as previously announced, December 4 and 5 at the High School auditorium. The board will be at the Vernon Music store in the Herring bank building and will be ready tomorrow for ticket holders to select seats.

A splendid cast has been secured of Vernon's best players and local people are promised a sparkling comedy when the curtain goes up in Vernon's new play house.

The funds will go toward purchasing trees to be planted along the highways.

Price of tickets will be fifty cents for adults, thirty-five cents for children under twelve.

Miss Anna Jo Pendleton is directing the play and the following compose the cast of characters: "Constance," Darcy, Ola Ferguson; "Celeste," Ann Delavan; Mrs. Sheridan; "Mildred," Delavan; Mrs. Williams; "Mrs. Blainwood," Lorne Torhune; "Fay Blainwood," Lorne Roberts; "Alice Stanley," Leta Williams; "Freda Mason," Vineta Boyle; "Mrs. Herrick," Jennie Blackburn; "Susan Ruggs," Mrs. Leon Brown; "Cruzer Blainwood," Theron Staley; "Ralph Hastings," Frank Dalmasso; "John," George King; "Jasper Delavan," Charles White; "Sylvester Crane," Owen Baker; "Bert Shaffer," Delphus Bourland.

## WELFARE BOARD IS ELECTED FOR YEAR

DR. E. L. MOORE, PASTOR OF PRESBYTERIAN CHURCH, TO DIRECT CITY CHARITY.

Dr. E. L. Moore, pastor of the Presbyterian Church, was unanimously re-elected chairman of the board of the Wilbarger Welfare Association at the annual Thanksgiving service held at the Presbyterian Church. This action was taken after the reading of the report of the year's work of the Association by Dr. Moore and carried with it the re-election of all other members of the board, except James V. Townsend, who had asked to be relieved of the duties of treasurer because he is soon to become County Judge and it was believed that work of the two offices might conflict.

H. D. Hockersmith was elected on the board in the place of Mr. Townsend. Other members elected were J. D. Key, Marvin C. Culbertson, Miss Esther Swartwood and Mrs. L. E. McOrdy.

The report submitted by the Association recommended that half of the board members be elected for one year and half of it for two years. Rev. Moore was elected for two years and other members of the board will draw for the one and two-year terms.

The annual Thanksgiving sermon was preached by Dr. E. F. Lyon, pastor of the First Baptist church. A fair sized crowd was present.

## VERNON FANS ATTEND CISCO-STEPHENVILLE GAME

Twelve Vernon football enthusiasts accompanied by Coach Baggett, attended the Cisco-Stephenville football game at Ranger, Tuesday, which resulted in victory for Cisco with a score of 33 to 12.

The following were in the party: G. E. Darden, Ransom Walker, Fred Burke, George Goetze, William Gelhausen, Benton Ryan, Herbert Robinson, Guy Norwood, R. Zachry, Bud Cooper, Roy Key, and Bruce Reed.

## College President Here.

Rev. J. W. Hunt, president of McMurry College at Abilene, spent a few hours here Thursday visiting friends. He went from here to Wichita Falls to attend the football game between his college team and the Wichita Falls junior college.

## WORK BEGINS NOW ON BAILEY HOTEL IMPROVEMENTS

Third Story To Be Finished First. Twenty Additional Rooms Provided—Spacious Banquet Room Feature of Addition to Building

Workmen started the first of the week on the third story of the Bailey Hotel for which contract was let to Voelcker & Dixon of Wichita Falls, architects, October 6, by S. W. Bailey, owner and proprietor. Extensive alterations will be made to the first and second floors and the sum expended for the whole building will be approximately \$25,000.

With the added story, twenty additional rooms each with a bath will give the Bailey fifty rooms for guests. The third story will be of brick, construction and will harmonize with the other two stories which will give the finished building a very handsome appearance.

Three large double guest rooms will front on Pease street, overlooking the court house square. Two French door exits will open onto small steel balconies overlooking the square on this front. Eight guest rooms will front on Cumberland street and the remaining rooms will be arranged around a court on the north and east sides of the building, giving each of the new rooms an outside exposure.

The stairway, which is being made now at a cost of over \$1000, will rise from the center of the lobby, extend west to a landing and then turn to the right to reach the second floor. Four rooms and bath will be added to the second floor and all rooms are to be refurnished and redecorated.

A spacious banquet room on the ground floor with connections with the Liberty cafe is a feature of the building. A kitchenette adjoining the banquet room will be provided and will be available for all kinds of parties, dinners and luncheons. The third story will be finished first so that guests will not be inconvenienced on the other two floors.

## WELFARE BOARD IS ELECTED FOR YEAR

DR. E. L. MOORE, PASTOR OF PRESBYTERIAN CHURCH, TO DIRECT CITY CHARITY.

Dr. E. L. Moore, pastor of the Presbyterian Church, was unanimously re-elected chairman of the board of the Wilbarger Welfare Association at the annual Thanksgiving service held at the Presbyterian Church. This action was taken after the reading of the report of the year's work of the Association by Dr. Moore and carried with it the re-election of all other members of the board, except James V. Townsend, who had asked to be relieved of the duties of treasurer because he is soon to become County Judge and it was believed that work of the two offices might conflict.

H. D. Hockersmith was elected on the board in the place of Mr. Townsend. Other members elected were J. D. Key, Marvin C. Culbertson, Miss Esther Swartwood and Mrs. L. E. McOrdy.

The report submitted by the Association recommended that half of the board members be elected for one year and half of it for two years. Rev. Moore was elected for two years and other members of the board will draw for the one and two-year terms.

The annual Thanksgiving sermon was preached by Dr. E. F. Lyon, pastor of the First Baptist church. A fair sized crowd was present.

## VERNON FANS ATTEND CISCO-STEPHENVILLE GAME

Twelve Vernon football enthusiasts accompanied by Coach Baggett, attended the Cisco-Stephenville football game at Ranger, Tuesday, which resulted in victory for Cisco with a score of 33 to 12.

## FOUR WELLS SETTING CASING FOR COMPLETION INSIDE SOUTH VERNON POOL—KOLP MAKES GOOD WELL ON 99

Alleged Pirate Free on \$250 Bail.

## LIONS PLAY WINNER OF DALLAS TILT

The Vernon Lions will play the winner of the Oak Cliff-Highland Park game being played in Dallas today, at a time and place to be decided at a conference of W. T. Lofland, representing Vernon and a representative of the victor in today's game at Dallas to be held tomorrow morning in Fort Worth. This information was contained in a telegram received today by The Record from W. T. Lofland who is in San Antonio to attend the conference called to arrange the schedule for the remaining games of the interscholastic league.

Local fans had hoped that the Lions would be pitted against the Cisco Lobos next in order to settle the mythical title of champions of West Texas. In case either Vernon or Cisco is eliminated before they meet and in case neither wins the State championship efforts will be made to arrange a post-season game between the two teams in order that one may have the title of West Texas champions, probably on New Year's Day.

Oak Cliff is expected to win today's game in Dallas. Highland Park is a class B school, while Oak Cliff holds the class A title of North Texas.

## MAIL CARRIES SUFFERS STROKE PARALYSIS MONDAY

R. E. Swin, mail carrier on Route 1, out of Vernon, was struck by paralysis early Monday morning. His right side is completely paralyzed and his left side is partially so. Mrs. Swin arose as is her custom about 5 o'clock and prepared breakfast; on inquiring why her husband did not appear, she found him delirious. He regained consciousness about 10 o'clock that day and since then his condition has remained practically unchanged.

## MEMPHIS MAN PRINCIPAL SPEAKER AT BANQUET

Rev. A. D. Rogers of Memphis will be the principal speaker at the Odd Fellow banquet, Friday night at the Odd Fellow hall, taking the place of Judge McIntosh also of Memphis, who will not be able to be present. Quite a number of Odd Fellows and Rebekahs expect to be present this evening at the get-together meeting. Wild duck provided by a party of hunters headed by G. W. Backus, will be the feature dish of the menu. A special musical program will be given and a splendid time is promised the guests.

## Building New Residence.

Jesse N. Wright has let a contract to build a modern six-room residence on his property on Yamparika street in West Vernon. Gene Shammals is the contractor.

## Good Yield for Fargo Man.

J. L. Crisp, living west of Fargo, is making over eighty bales of cotton off of one hundred and twenty-five acres.

## Operations in Richardson and Prince Wells Are Still in Progress, While Good Many Operators Are Watching for Developments in Wildcats

The Charles Kolp No. 1, Waggoner, was completed this week for 150 to 200 barrels production in section 99, Br. Jewell & Heydrick are setting casing on their No. 3 and No. 4, Stephens, at 1900 feet, preparatory to completion and the South Vernon Oil Company are setting casing on their No. 4 Stephens at 1948 and their No. 5 Stephens at 1968.

The Bridwell & Heydrick and South Vernon wells are located in section 83 inside the proven territory. The Kolp well is an outside location and the completion of a well there is considered one of the most important developments of the past two weeks. The Prince No. 1 Zipperle and the McCamey-Sherin No. 1, Richardson, are still being drilled but no paying production has been found in either of them.

Bridwell & Heydrick this week completed their water line from Paradise Creek and with the other lines in operation it is believed that there will be no further shutdowns in the field for lack of water.

Drilling has been in progress throughout the field for the past few days but no outstanding developments have been reported other than the completion of the Kolp well on Waggoner and the South Vernon and Bridwell & Heydrick wells on the Stephens tract.

Considerable attention is being paid just now to developments in a number of wildcat tests being sunk in various directions from the South Vernon pool, but they are still too shallow to offer any prospect of early completion.

## KILLING FROST VISITS COUNTY FIRST OF WEEK

As late as the first of the week, cotton blooms were reported in several fields in various sections of the county.

A sharp freeze and killing frost visited here Tuesday, and that morning the scent of dying vegetation filled the air. Wednesday morning, the thermometer registered four degrees below freezing and yesterday and today ice was again noted.

One of the latest and most beautiful Falls registered here, for 1924, is the testimony of old timers. Farmers say that if ever one was made to order the 1924 model exactly filled the bill. The bulk of cotton is out and without the added expense of keeping pickers through the severe winter months, Cotton has been plowed under here in April owing to the long cold winters. Wheat farmers are ready now for a little moisture, they say.

## New Buildings Going Up.

G. A. Crager, who lives southeast of Vernon, is remodeling his residence.

W. E. Gandy is building a modern five-room house on Yamparika street, west of the new high school building.

A. J. Nixon is building a small residence in the southeast part of Vernon.

Mike Wilkerson is building another small residence in the northwest part of Vernon. This is Mr. Wilkerson's second house to build lately, and he plans to build the third house soon. All of these houses will be rent property.

## Mary Paige Thompson Arrives.

Mr. and Mrs. F. G. Thompson of Sherman announce the birth of a daughter, Mary Paige, Monday, November 24. Mrs. Thompson was formerly Miss Orel Williams, daughter of Mr. and Mrs. C. D. Williams of this city. Mrs. Williams is visiting her daughter and family.

## Former Superintendent Here.

R. F. Sisk of Los Angeles, Calif., former superintendent of schools here, is in Vernon on business for a few days. Mr. Sisk has been devoting much of his time since leaving here to the writing of textbooks but has done some teaching in the Los Angeles schools.

## Local Markets

Chickens, per pound	14c
Turkeys, per pound	14c
Eggs, per dozen	55c
Butter, per pound	40c
No. 1, Wheat, per bushel	\$1.35
Cotton, per pound	22.50 to 22.75
Cotton seed, per ton	\$29.50

**SPECIAL PROGRAM OF  
B. Y. P. U. SUNDAY NIGHT**

The B. Y. P. U. will meet Sunday evening at 6:15 o'clock at the Baptist church. The following program is to be rendered:

**"Red Lily" Comes  
To the Pictorium  
For 2 Days Run**

Tom Mix is here today and tomorrow in Zane Gray's great story of the vast open places, "The Last of the Duanes." It is said that Zane Gray's pen sends forth the spirit of the blazing West on winged words. This is a tale of Texas rangers in the flaming West when life hung on a hair trigger. Marian Nixon plays the part of Jenny, the winsome sweetheart of Buck Duane. Tony the wonder horse, is as much a part of the thrilling story as the other actors.

Zane Gray's stories need no comment. To say that a Zane Gray feature is on packs the house and Tom Mix as the hero, makes it a cinch.

With the reputation of being one of the most thrilling and interesting films of the year, "The Red Lily," a Metro-Goldwyn picture, will come to the Pictorium Theater for a two days' run, beginning Monday. This is the latest production from the capable hand of Fred Niblo, who has such photoplays to his credit as "Strangers of the Night."

"Thy Name Is Woman," "The Three Musketeers," and "The Mark of Zorro"; he finished "The Red Lily" just before sailing for Italy.

Ramon Navarro, Enid Bennett, and Wallace Beery have the chief roles. Navarro plays a part that is entirely different from any heretofore, and he promises to astonish film followers, when, in a section of the picture, he appears as a Parisian apache and does a number of scenes that require the utmost in character acting. Lest any flappers be alarmed, however, it is announced that he is still "the lover" during most of the time.

Miss Bennett also plays a role of greater dramatic power than usually falls her lot, while Beery appears as Babo, a lovable rogue of the Montmartre shams. Other important actors in the cast include Frank Currier, Rosemary Theby, Mitchell Lewis, Emily Fitzroy, George Periolat, Gibson Gowland, Dick Sutherland, Dorcas Matthews and Milly Davenport. A very beautiful love story is interwoven in the plot.

## OUTLINE CHANGES IN SCHOOL SYSTEM

BOARD MAKING SURVEY SUGGESTS CO-ORDINATION AND ELIMINATION OF POLITICS

County superintendents of schools should be eliminated from politics and their positions made appointive by a county board of education, according to recommendations of the Texas Educational Survey made public this week.

Creation of county boards and a state board of education is recommended as fundamental changes in the educational system of the State.

A board to co-ordinate the activities of higher institutions of learning in Texas also is suggested. A summary of the recommendations issued by the survey staff said:

"There should be an increase in the term of office for which school trustees are chosen. This applies to common school district, independent district and county trustees.

"Provision should be made for an appointive state board of education. This board should have nine or 11 members appointed by the Governor. The terms of the members should be so arranged that only one expires each year. The state board of education should elect the state superintendent and on his recommendation appoint the members of his department.

"The ex-officio county superintendent should be abolished. Provision should be made in each county for a full-time or a part-time superintendent, as the situation may demand. In either case, however, a superintendent with professional training and with teaching experience should be required.

"The selection of the county superintendent should be placed in the hands of the county board of education. It should be free to elect any qualified individual. As one evidence of possessing the necessary qualifications, he should be required to hold a superintendent's certificate. The standards for this certificate should be placed higher than the minimum that is now required for the office of county superintendent.

"The county board should have increased powers over common school districts and independent districts of less than 500 scholars. Directions in which they should be given new or increased powers are: Consolidation of schools, changes in district boundaries and its classification of schools.

"In financing schools some changes are believed to be desirable. Local taxation should be basic and provision should be made for a county tax for the support of schools.

"In the apportionment of state funds to communities, recognition should be given to their differences in ability and willingness to pay for the support of schools. There also should be state aid in the development of more adequate means for the supervision of rural schools than generally obtains at present. It is believed that a thorough study by taxation experts should be made of the present provisions for raising funds for state expenditures.

"Legislation should be enacted, making provision for a state board of higher curricula. This board should have 11 members appointed for terms of 11 years each. It should have power to employ a research secretary and to gather and publish facts with reference to the status of higher education in the State. This board will not take from the existing boards or the higher educational institutions their present administrative powers. Its purpose will be to provide for closer co-ordination of the activities of the institutions of higher learning by placing facts and recommendations relating to them before the Legislature.

"In the judgment of the survey staff, longer terms should be provided for the board members of the higher educational institutions."

### LOVELACE HOME SCENE OF TWO LOVELY PARTIES

Mrs. M. L. Lovelace was hostess at a very lovely party Friday afternoon when she entertained members of the Avalon Bridge club at her home on Paradise street. The house was beautiful with its decoration of chrysanthemums of various hues and at 5 o'clock the guests were served with a turkey dinner. Mrs. C. V. King was lucky winner of the prize for high score for members. She was presented with silver salt and pepper in Colonial boy and girl design. Mrs. Smythe was consoled with a table mat and the prize for high guest went to Mrs. Guy Puckett. She was given a shiny celery dish.

The following members and other guests were present: Mesdames M. J. Moore, H. E. Rogers, S. A. White, T. Glover, R. S. McConihe, C. V. King, Guy Puckett, B. S. Smythe, T. A. King, R. B. Gibson, Fred Thompson and Misses Vinita Denner, Robbie and Lily Castlebury and Minnie King.

In the evening, Mr. and Mrs. Lovelace and Mr. and Mrs. Knox Kinard of Oklahoma entertained at bridge and again the guests were served with a delicious turkey dinner. The following were present: Mr. and Mrs. R. B. Sherrill, Mr. and Mrs. R. M. Fielder, Mr. and Mrs. J. T. Glover, Mr. and Mrs. Innes McCrary, Mr. and Mrs. Hub Colley, Dr. and Mrs. M. J. Moore, Mr. and Mrs. S. A. White, Dr. and Mrs. Y. H. Babasin, Mrs. Ralph King, Misses Minnie King and Lily and Robbie Castlebury.

# THEY WILL LEAD YOU TO THE FAIR EVERY-DAY PRICES!

Vernon's Lowest Price Cash Store

The motive of this advertisement is not to announce to our customers that we have arranged for them a big "Rip Roarin' Sale." But it is news of the fact that our business has been such this Fall that we feel justifiable in lowering the prices on a number of articles in our store. The prices we are quoting on the articles mentioned below are not sale prices to be put on one week and taken off the next—but these prices are every day prices. We have enjoyed a wonderful business this Fall and in this connection we wish to say that the Fair as a Store is one which wishes to go on record as feeling duly grateful for the trade it has shared at the hands of its friends and customers.

### NOTICE TO THE PUBLIC

Any erroneous reflection upon the reputation or standing of any individual, firm or corporation, that may appear in the columns of The Record, will be gladly corrected when called to the attention of the editor.

### THE EDUCATIONAL SURVEY.

The brief summary of the report to be made by the commission named to make a survey of the educational needs of Texas made public the other day makes reference to several recommendations which deserve the most careful consideration by the incoming Legislature which meets in January.

It is too early to venture an opinion on the report as a whole. Its very size would prohibit any off-hand expressions of opinion that would be worth while. With the recommendations mentioned in the summary already made public, it is possible to get an inkling into some of the more important changes suggested by the Commission. We may be assured of one thing, and that is the report itself will doubtless become a kind of chart by which to work in the future years. Its value in this respect may outweigh any immediate benefits which may be derived from it.

Fortunately, it would seem, that the recommendations are so arranged that any part of the program may be adopted without awaiting approval of the plan as a whole. There are two or three suggestions made which the Legislature could well undertake at the next session. It is recommended that the State Superintendent be made an appointive officer to be selected by a State Board of Education which is sought to be created. The obvious defects of the present method of selecting a State Superintendent by popular vote should be apparent to all students of the educational situation. The same recommendation is made with reference to the County Superintendent.

There is no more reason why a State or a County Superintendent should be elected by a popular vote than there is that City Superintendents and teachers generally should be elected by that method. Ability as a vote-getter and the ability and willingness to spend a lot of money in a political campaign is no sign that a man or woman is in the least qualified to be State or County Superintendent. Very often quite the reverse is true. Superintendents of city schools and teachers generally are selected by boards of education without reference to residence or other qualifications which apply when an elective office is to be filled. Frequently local school boards go beyond the state bound-

daries to secure the services of a superintendent or teacher. Residence within the city or county is rarely given any weight and we find teachers of ability being called from distant localities. This is only good policy for the schools. Boards of education certainly should not be limited to residents of their own little locality in the selection of teachers. Everybody admits this. Why not be as sensible with reference to State and County Superintendents?

Another recommendation made is that a board should be created to co-ordinate the work of the several higher institutions of learning operated by the State. There is much needless duplication of effort and therefore a waste of public money under our present system which permits practically all the higher educational institutions to select course of study, outline policies and make decisions in other important respects without regard to the policy of other state institutions of similar rank.

The Legislature could very well make these three changes, without waiting to digest all the recommendations of the Survey Commission, and leave other phases of the general plan to be worked out later.

### DRY FALL IS BEST TIME OF YEAR FOR TERRACING

College Station, Texas, November 25.—This dry fall is an excellent time for the farmers to avail themselves of the opportunity of terracing their land and conserving the fertile top soil that will be washed off and wasted when the heavy rains come later in the winter, according to M. R. Bentley, extension farm engineer of the A. & M. College. The summer is a good time but crops usually interfere and usually in the spring there is so much rain that the freshly made terraces are broken and destroyed or badly eroded. There is no use spending \$1.50 an acre if terracing is not needed, but there are numerous signs that it is needed. When gullies begin to form, if yields on the slopes are diminishing more rapidly than on flat land, when rocks and clay begin to show up above and more on the hill side, if the humus of the soil is rapidly disappearing or if commercial fertilizer will not stay in the field till the plants can get it there is a strong indication that terracing is needed. County agricultural agents should then be consulted.

If you want a real good stove, let us show you the new styles of the New Perfection. Lisenbee Furniture Co. 85-tfc

### DOANS NEWS.

The farmers are very busy gathering their cotton. Boll pulling will soon be in order, as they have nearly finished picking.

J. J. Armstrong is suffering with neuralgia and was very ill Monday night.

Mrs. Bert Cupps' father and mother, and a sister and brother, are here from Steedman for a visit. Mrs. Tom Adair and children visited at Odell Sunday.

Mr. and Mrs. J. A. O'Neal went to the Plains Monday to look for a location.

Lee Armstrong is a juror in district court at Vernon this week.

Our pie supper was a great success Thursday night. Something over ninety dollars was taken in from the pies, and voting for the most popular young lady and ugliest man. Miss Jewell Adair took the prize, which was a box of candy for being the most popular young lady, and Elmer Owens took the bottle of pickles for ugliest man. Everybody enjoyed themselves.

Several from here attended the carnival in Vernon Saturday. Tom Hamilton and daughter, Miss Clarice and son, Neal, of Odell, attended the pie supper here Thursday night.

J. R. Harrison took J. J. Armstrong to Vernon Monday night for medical aid. He is better at this writing.

Melvin Cowan has been seriously ill this week with an attack of pneumonia, but is much improved.

Mrs. Henry Norris, on the Armstrong place, is sick with a cold.

Bill Bruce is the owner of a new piano.

J. R. Harrison and family attended Sunday school and church at Fargo Sunday.

Vernon visitors Saturday were: Dewey Adair, Mack Wilson, Mr. and Mrs. J. S. Rowland and son, W. T. Frank Wilson, Mrs. Warner, Neal Slappey, Mrs. J. C. Wilson, Mrs. Edna Armstrong, J. A. O'Neal and son, Ted.

### PLEASANT VALLEY NEWS.

Mr. and Mrs. W. F. Bell spent Sunday with Mr. and Mrs. N. H. McDougal.

## Why Keep On Paying This Tax?

Everybody expects to pay some taxes, but why impose unnecessary taxes on yourself?

Do you realize that every time you drive your car on an unpaved highway you are actually taxing yourself one to four cents a mile?

This is the cost of increased repair, tire and gasoline bills.

Highway research has definitely established these facts.

Each year you tax yourself in this way a good many dollars.

Instead of spending this money for increased transportation costs, why not invest it in Concrete Highways and pay yourself some dividends?

Concrete Roads and Streets pay for themselves in the saving they effect on the cost of motoring.

Their maintenance cost is so low that this saving alone returns good dividends on the investment, year after year.

You are imposing an unnecessary tax on yourself from which you get no return, by failing to work for more Concrete Highways.

Not in a long time have general conditions been so favorable for carrying on such public works as permanent highway building.

Your highway authorities are ready to carry on their share of this great public work. But they must have your support.

Tell them you are ready to invest in more Concrete Highways, now.

## Know what's underneath the paint before you buy

YOU wouldn't think of buying a house without first knowing how it is built and the quality of materials used. In selecting a piece of furniture you are sure to find out whether it is solid wood or veneer.

Yet many people who exercise care in most purchases buy automobiles without even lifting the hood or knowing about the hidden qualities of body and chassis construction that really determine one's satisfaction with a closed car.

We want you to know about the unseen qualities of the new Studebaker Standard Six Sedan.

Down underneath its superb body finish is a sturdy framework of carefully selected ash, glued together and fastened in place by screws—not nailed. Ash is scarce and expensive, but Studebaker uses it because it best combines proper weight and strength.

Upholstery is genuine mohair of high quality. Various grades of mohair look much alike—the big difference is in the quality.

Beneath this mohair covering are many nests of cushion springs, padded with heavy

burlap, upholstery cotton and curled hair. Almost any car seems comfortable on the showroom floor, but it's quality such as this that makes the Studebaker Standard Six remain comfortable after years of service.

The same standards of excellence are maintained throughout the body and chassis. In the engine, for example, the crankshaft is completely machined on all surfaces, a practice that results in the smooth, quiet, vibrationless performance that characterizes all Studebaker cars.

Judged solely on what your eye can see—in beauty of line and finish and exterior refinements—the Studebaker Standard Six Sedan will command your instant approval.

But go deeper than that. Compare its hidden, vital qualities—its design, materials and workmanship—with cars selling for hundreds of dollars more.

Studebaker never compromises—never uses a substitute for genuine quality. Studebaker has been building quality vehicles for 72 years.

Come in and let us tell you the "inside story" of the Studebaker Standard Six Sedan.

## American Cars Are Superior To Foreign Make Says Expert

Two of the world's greatest automobile shows were held in October at the Grand Palais, Paris, and Olympia, London. The number of firms exhibiting at both shows exceeded considerably the number which exhibit at our annual shows in Chicago and New York, but the character and quality of their automobiles, bodies, parts and accessories were certainly not superior to ours, says, A. R. Erskine, Studebaker expert.

Different conditions in Europe and the United States explain the numerical superiority of the foreign shows.

With the exception of two or three manufacturers in both France and England, all producers of motor cars are assemblers who purchase their bodies and parts from different makers of such things, and consequently, there are a host of such makers competing for this business. The ownership and operation of foundries, forge shops, stamping plants, and body factories by car producers is quite limited.

Numerous manufacturers sell more chassis than they do complete cars, and retail buyers of chassis purchase their bodies from the body makers direct. Then again, the Paris and London shows contain many cars of foreign make, whereas our New York and Chicago shows house only cars produced in the United States.

Morris-Cowley is the Ford of England. Their small car, 11.9 H. P., four-seater, sells for 195 pounds, and his 14 H. P. for 285 pounds. This concern is probably producing one-half of the cars made in England.

They actually get the higher power from these small engines by running them fast under high compression, but buyers pay a tax on the formula rating. American cars like the Ford, Chevrolet and Overland have much bigger, slow speed, normal compression motors, whose buyers must pay much higher taxes. Consequently, the European small cars have a big advantage.

Large European cars with slow speed, normal compression motors, comparable to American made motors, come within the luxury class, and buyers pay about the same taxes as American cars of the same kind carry.

These cars, like Buick, Studebaker, Nash and others, are marketable in Europe in competition with the local product, while our small cars which appeal to buyers of limited means suffer by comparison. All European countries except England have a tariff on motor cars, which is 45 per cent in France and Italy, and American manufacturers have this disadvantage. Gasoline is from 50 to 100 per cent higher in Europe than it is in our country.

Quietness, durability, comfort and performance are vital factors in motor car satisfaction. They are impossible of attainment by high speed, high compression motors. Slow speed, moderate compression American motor cars afford them in high degree. Our cars are likewise unsurpassed in the world in design, quality and appearance.

Wanted—Clean cotton rags at the Record office.

## Good Values in Used Cars

We invite you to come in and see our good used Dodge Brothers motor cars.

## SEND CHRISTMAS PARCELS EARLY SAYS POSTMASTER

Shop new and mail early for early delivery. The postoffice will make every effort to handle the Christmas mails without congestion and delay, but owing to the enormous volume, this can be done only with the co-operation of the public. Compliance with the following suggestions will greatly aid the postoffice and insure prompt handling of your mail:

**Wrapping and Packing.** All parcels must be securely wrapped or packed in order to reach their destination in good condition.

**Addresses.** Addresses should be complete with house number and name of street, postoffice, box or rural route number, typed or plainly written in ink. A return card should be placed in the upper left hand corner of every piece of mail. If a tag is used, the address and return card should be written on the wrapper for use if tag is lost and a copy of the address should be inclosed inside of parcel.

**Postage.** Postage must be fully prepaid on all mail. Affix the required amount of postage in the upper right hand corner. Full information concerning postage rates can be obtained at parcel post window.

**Limit of Weight and Size.** No parcel may be more than 84 inches in length and girth combined. For delivery locally and in the

first, second and third zones, 70 pounds is the maximum weight; in all other zones 50 pounds.

**When To Mail.** Christmas gifts and cards addressed to points within one day's travel should be mailed not later than December 20; within two day's travel, not later than December 18; within three day's travel, not later than December 16; for distant points, not later than December 14. Parcels and cards for local delivery should be mailed not later than December 22.

Parcels and envelopes may be endorsed "Please do not open until Christmas."

## BAKER COMMUNITY COUPLE MARRY HERE SATURDAY

Rev. T. C. Gardner and his assistants, who are employed by the Baptists as State B. Y. P. U. workers, will be here December 7 to conduct a study course.

Mrs. M. M. Marcus is seriously ill at her home south of Vernon, suffering from a nervous breakdown, after sister, Mrs. Mimbry from Vernon, accompanied by her husband, remained for some time.

## Pepsinated Caomel Is Better than the Old-Time Sickening Kind

It is gentle, Imported English Calomel, combined with Pepsin and other helpful ingredients. It is mild but certain, causing no harshness or unpleasantness and will absolutely relieve indigestion, biliousness, bad colds, constipation and sick headaches. And best of all it does it at once—quickly and pleasantly. Take one small tablet at bed-time and you will get up hungry and feeling fine. Recommended by

## Sealed! to protect Buick performance

Buick's chassis is sealed. Iron and steel housings protect the operation of all driving parts—seal them in to safeguard Buick performance.

Here are the vital points at which Buick engineering provides this extra protection:

1. FAN MOUNT—Fan bearing totally enclosed—lubricated by its own gear pump.
2. MOTOR—Steel cover keeps water from short-circuiting spark plugs. Steel cover over valve-in-head mechanism keeps dust out, oil in.
3. STARTER-GENERATOR—Delco single unit starter-generator completely housed in single housing. Starting gear housed with flywheel.
4. FLYWHEEL—Completely housed. Starting gear protected from road damage and accumulation of dirt and dust.
5. CLUTCH—Multiple disc—completely housed.
6. TRANSMISSION—Completely protected. Shifting mechanism sealed.
7. UNIVERSAL JOINT—Completely enclosed in ball joint at front end of torque tube—lubricated automatically from transmission.
8. PROPELLER SHAFT—Buick's third member drive, which is a torque tube, completely encloses the propeller shaft. It is impossible for road dirt to work into the shafting or the universal joints of rear axle.
9. REAR AXLE—Housing is totally enclosed at rear axle box.

## DUNCAN C. OF C. PRAISES STEPHENS

IN RESOLUTION OF RESPECT  
TELLS OF CITY'S GRATITUDE  
TOWARD TEXAS MAN

Whereas, the undersigned committee has been selected and directed by the Chamber of Commerce of Duncan, Okla., to draw appropriate resolutions, expressing sentiment and regrets of the Chamber of Commerce of Duncan, upon the death of the Honorable John H. Stephens of Texas, for many years the Representative of his district in the Congress of the United States, from the

State of Texas, and, Whereas, during his incumbency as such representative, the said John H. Stephens acquitted himself with great credit and honor to his constituency and was an able, untiring and diligent worker in behalf of the people at large, being always found on the side of right and justice, free from taint or corruption and made for himself the reputation as a citizen and official that will survive him for all time, and,

Whereas, the citizens of Duncan have ample cause to deplore the death of the said John H. Stephens and to revere his memory with gratitude and loyalty for his efforts and achievements in behalf of the city of Duncan in legislation before the Congress of the United States in which the City of Duncan was interested and as a result of which received great benefits in the way of the establishment of the United States Court at Duncan, and a recording district court out of the territory surrounding Duncan, thereby saving to the Government of the United States and to the

citizens of Duncan and adjacent territory, great expense in time and money, and, Whereas, the said John H. Stephens freely and voluntarily interested himself in behalf of the Indian Territory in the matters of legislation in the National Congress, effecting the Indian Territory and particularly the City of Duncan, and accomplished great good in placing Duncan in a logical position for the establishment of a county seat at Duncan in the subsequent Constitutional Convention of the State of Oklahoma, and we feel that the position occupied by Duncan and Stephens County today, in importance as a county seat and commercial center is traceable in a large measure to the efforts and labors of John H. Stephens in behalf of the City of Duncan, during his career in Congress.

Now, therefore, be it resolved, that we feel a personal loss in the death of the said John H. Stephens and feel that he will long be remembered and his memory respected and held dear by the people of Duncan and that we deplore his untimely

taking away, but submit to the divine decree with a consciousness that he has gone to his final reward and that his honorable life, fair dealing and loyalty to duty has prepared him beyond the skies and that his labors on earth will live forever in the hearts of all who knew him.

Be it further resolved, that a copy of these resolutions be furnished to the press and a copy spread on the minutes of the Chamber of Commerce and that a copy be mailed to the bereaved family.

Respectfully submitted,  
FRANK FUQUA, Chairman,  
and twenty others.

NEW BOOKS ON SHELVES OF  
COUNTY FREE LIBRARY

"A Popular History of American Invention," edited by Waldemar Kaemffert.  
"The railroad, the steamship, the automobile, instilling life into pictures, freezing sound, making the invisible ether carry our words, making the air bear our weight—we take these miracles for granted

today, but in the wake of each of them lies a story of exalted human achievement, human suffering, human persistence, the wonder of impossible dreams made true." In a popular history of American Invention these stories have been told by men who know all about them. They have been edited and arranged so that the whole reads like a great romantic novel of American adventure in science.

## Home Is What We Make It

OUR American liberty, happiness and prosperity are a heritage from our sturdy forefathers who first landed on New England's rockbound coast, revolting against the tyranny of autocratic Old World rule. Those first Americans loved their homes. They came to a New World filled with dangers, determined to fight for what they cherished.

And we, privileged to possess and develop our homes in peace and prosperity, sometimes value the opportunity too lightly. To own and live with beautiful furnishings is to enjoy one of life's greatest pleasures. And 'tis true, a comfortable, cheerily livable home gives more pleasure to more people than any other one thing.

A little thought, rather than much money, is the requirement for making every home a Comfortable Home.

## We Announce the Arrival of Three Car Loads of Beautiful Furniture

You read the papers for news, of course. And what greater news than how you can invest your money most wisely? Please regard Hawkins-Williams' advertisements therefore, as news—news of higher qualities, greater values, more lasting satisfaction.

As there is furniture—and furniture, so are there prices—and prices. Here at Hawkins-Williams we confess to no intention to sell at the lowest prices in town—merely to sell at the lowest prices good furniture can be sold. And of course this really means the lowest prices, because furniture that lasts costs less than furniture that doesn't. Need we add that you're always safe at Hawkins-Williams? And that you may be sure of the most in satisfaction for the amount you spend, be it large or small.

A Furniture Christmas brings lasting joy. Furniture—the lasting gift for every member of the family. Furniture is the most prized gift of all because it gives joy to the individual who receives and adds beauty and comfort to the home which every member of the family can enjoy. Here at Hawkins-Williams the stock of gift furniture was never more complete.

# LIONS WAITING FOR THE WORD THAT WILL SEND THEM AGAINST NEXT FOE

(Continued from page 1)

This policy has kept the Lions out in front in spite of the most disheartening experiences of seeing some of the best men in the squad go out on injuries. Withers, who was counted as one of the backfield mainstays, sustained a dislocated hip in the opening conference game against Wichita Falls. Gelhausen stepped into the breach and has become a star in his own right. Captain Walker has not been in good condition since spraining an ankle in the practice bout with Paducah and has been out at times. Bourland, one of the most dependable gainers in the backfield, went out with an injured shoulder in the second Amarillo game. Williams had substituted for Walker at times and when Bourland went out he filled the breach in splendid fashion.

Little Reed has had a bad shoulder for three weeks and had to be out of the two important games with Amarillo and the one with Pampa, but Steinman has delivered in great shape. Last Saturday Baggett and Wilmon displayed their resources in man power by completely rebuilding the team several times during the course of the game. Walker was taken out, Ryan was shifted from quarter to full, Ballow filling Ryan's place as field general. Other shifts and substitutions were made and so far as the fans could see the team went right ahead without a hitch or a slip of any kind. Linemen were shifted. A new center was sent but the Lion offense and defense seemed able to go right ahead.

Naturally, with such a policy it has been impossible to run up as high a score as would have been possible by driving ahead with the first string and running the risk of having the team disrupted by one or two injuries.

The Lions are not in the least discouraged because the Star-Telegram has never sent a photographer to get action pictures of any of their games. They only smiled when they read in Wednesday's Star-Telegram that the Lobos are West Texas champions. They have a rec-

ord superior to that of the Lobos by comparison. They have defeated three conference teams that are always counted among the leaders in high school football—Wichita Falls, Electra and Amarillo. So why should they worry about what a very poorly informed sports editor says?

Rev. and Mrs. W. B. Swim are spending the Thanksgiving holidays with his father, S. E. Swim and family, who live in West Vernon. Rev. Swim is pastor of the West Dallas church. Miss Mae Swim, who is attending S. M. U. this year, is also spending the holiday here.

## SPIRITUALIST MEETING, EXTRAORDINARY!

Drs. Gill of Kosman Spiritualist Institute of Colorado Spgs., Colo., will hold Sunday service at 8 p. m. at Woodman hall on West Wilbarger street demonstrating life after death or Spirit Return. Messages will follow lecture, from your Spirit Friends, TO YOU.

While in city Dr. Elma Gill will give Trance Readings, pertaining to business and all affairs of life, telling you what you wish to know.

## New Way to Stop Night Coughing

Those who have suffered the tortures of sleeplessness due to continual coughing at night, and who as a result often feel utterly worn-out and useless during the day, need no longer permit their systems to be weakened and their vitality sapped by this distressing ailment. For through a very simple treatment the trouble can be stopped almost at once, and people often get their full night's rest undisturbed after the very first trial.

Here is the method: Simply get a bottle of the prescription known as Dr. King's New Discovery from any good drug store. Then tonight before retiring take one teaspoonful and hold it in your throat for 15 or 20 seconds before swallowing it. This prescription has a double action. It not only soothes and heals the soreness and irritation, but it quickly loosens and removes the phlegm and congestion which is the real cause of the cough. So your throat is left wonderfully soothed and cleared of irritating matter, you can sleep soundly and restfully, and the cough is usually gone in a very short time.

Dr. King's New Discovery is a remarkable remedy for coughs, chest colds, hoarseness, sore throat, spasmodic croup, bronchitis, laryngitis and bronchial asthma. At all good drug stores. Ask for

Wednesday—Lockett women's club.

Thursday morning, East Vernon; afternoon, Bourland.

Friday, Fargo.

## SECOND EDITION "LEGENDS OF TEXAS" JUST OFF PRESS

"Legends of Texas," a volume published by the Texas Folk Lore Society, is now in its second edition, and 1500 copies are ready for distribution, according to Miss Ethel Burch, secretary of the Society. The book has been printed by the University of Texas Press, and since last May 1200 copies have been sold. Legends of mines, of hidden treasure, of mystery, of love,

flowers and of superstitions, are contained in this book of the folk lore of Texas.

I must confess a great hope," said J. Frank Dobie, editor of the volume, "that some men or women who understands, will seize upon the Legends of New England."

## Old Folks' Ailments

"I began taking Black-Draught over fifty years ago and my experience with it stretches over a good long time," says Mr. Joe A. Blakemore, a Civil War veteran, now a prominent citizen of Floyd, Tex. "It is the best laxative I know of for old people. . . . A good many years ago, in Virginia, I used to get bilious and I found that

## Thedford's BLACK-DRAUGHT

was the best and quickest relief I could get. Since I came to Texas I have these bilious attacks every now and then—and I find a little Black-Draught soon straightens me out. After a few doses, in little or no time I'm all right again."

Thedford's Black-Draught acts on the stomach, liver and bowels in a gentle, natural way, assisting digestion and relieving constipation.
